

NTI Day 5 Packet

1. Complete the table below. The table lists different recruitment methods companies may use to find quality employees for vacant positions. You must consider the advantages and disadvantages to each recruitment method and record your thoughts.
2. Imagine Lincoln County Area Technology Center is recruiting a new teacher. Your job is to advise the interview committee on how to get the best teacher for our school. You must justify your suggestions. Please write your recommendations on the back of this page.

Recruitment Method	Advantages	Disadvantages
Media advertising (radio or specialist magazine)		
Recruitment agencies		
Training and employment agencies		
Internet		
Internal recruitment (bulletin boards within the company, memos posted, emails)
