JULY 8-12, 2019

LINCOLN COUNTY STEM ACADEMY

The Lincoln County Schools Student Support Center is excited to announce that we have received a grant that will fund a Summer STEM Academy. The camp is available to all students currently enrolled in K-12 in the Lincoln County school system. This Academy will be held at Stanford Elementary School from July 8 to July 12, 2019.

Areas of focus throughout the week will include: Coding, 3-D printing, Forensics, Robotics, and STEM activities.

This opportunity is completely free of charge to all students. Transportation will be provided to and from the closest elementary school. Breakfast and lunch will also be provided.

**Free opportunity for Lincoln students
interested in STEM!**

To apply, go to the Lincoln district website at www.lincoln.kyschools.us. There you will find the link to the online application.

DUE DATE TO APPLY IS

FRIDAY, MAY 24TH!
